Email: acharyarahul165@gmail.com
Mobile: +91-9024845857

## Skills

- **Languages**: C, C++, Java, HTML, CSS, JavaScript+
- **Frameworks:** HTML, CSS, TensorFlow, Anaconda
- **Tools/Platforms:** Leetcode, GeeksForGeeks, Excel, MySQL
- **Soft Skills:** Problem-Solving, Team Player, Task coordination, Adaptability

## Projects

- **Mental Health Simulator** | GitHub — June-Jul 2025
  - Designed a console-based mental health assistant in Java that allows users to track moods and receive personalized motivational support.
  - Integrated features include mood input, motivational quotes, calming activity suggestions, and an integrated countdown timer.
  - Enabled persistent user history storage using file handling to store and retrieve previous mood data.
  - **Tech Used:** Java, Object-Oriented Programming (OOP), Console-based UI, File Handling (Buffered Writer/File Reader), Countdown Timer (Thread/Timer), Local File storage.

- **Astrology and Astronomy Application** | GitHub — Feb-Mar 2025
  - Constructed an interactive astronomy chatbot using Python to answer astronomy-related queries, simplify complex concepts, and enhance user learning.
  - Enabled keyword-based intent detection with a structured conversation flow for accurate and meaningful responses.
  - Designed a user-friendly interaction system to ensure smooth communication and provide engaging educational content.
  - **Tech Used:** Natural Language Processing, Tkinter (Graphical User Interface), JSON/Dictionary-based response

## TRAINING

- **Data Structures & Algorithms Training** | Cipher Schools — May-Jul 2025
  - Completed structured training in Data Structures and Algorithms (DSA) using Java.
  - Solved coding exercises while analysing time and space complexity for optimized solutions.
  - Participated in weekly coding contests to improve problem-solving skills and time-bound efficiency.
  - **Tech Used:** Java, Data Structures & Algorithms (DSA), Time & Space Complexity Analysis, Competitive Programming Practices

## Certificates

- OCI Data Science Professional – Oracle's Cloud — Aug 2025
- Data Structure and Algorithms – Cipher School — July 2025
- Cloud Computing – NPTEL — May 2025
- OOP's java – IamNeo — Apr 2025

## Achievements

- **Achieved 4 stars in python: -** — Jan-Mar 2024
  4 stars in python on HackerRank platform | HackerRank

## Education

- Lovely Professional University — Punjab, India
  Bachelor of Technology - Computer Science and Engineering; CGPA:7.2 — Aug 2023 – Present
- Star Public School — Khairthal, Rajasthan
  Intermediate; Percentage: 81% — Apr 2020 – Mar 2022
- *Central Academy School* — Khairthal, Rajasthan
  Matriculation; Percentage: 88% — Apr 2019 – Mar 2020
